

# Trade Services and Finance

## Trade Network

**Citi operates the world's largest network of international trade services processing sites, spanning 113 cities in 72 countries.** All of the offices listed below have trained personnel on the ground engaged in advising letters of credit and amendments, handling LC drawings, and responding to transaction inquiries – often with operational support from one of Citi's regional processing centers. You are invited to make use of our global network for all of your trade needs.
